2015 SHOW HIGHLIGHTS

2015 Corvette Classic Show: The Sulphur Springs Corvette Club, its members and sponsors wish to thank all of the great Corvette owners and friends who continue to make the Classic a special event.

We, of course, wished for another beautiful day at the Plaza, but rain was needed by so many, that we agreed not to complain. We thank all of those who supported us and could not attend our events this year. So many called &

expressed their best wishes and encouragement. The whole event is about the "Passion" that we all

share for the Corvette & that "Passion" continues. If you missed the McKenzie Estate Tour and our Friday night Social & Dinner at the Country Club last year, you missed two fun events! Many thanks to our co-chairs, Roger Elliott and Tony Hughes for all their work.
